

PayPoint Plc FY25 Post-close Trading Update¹

23 April 2025

Further progress for PayPoint Group

PayPoint Plc today issues an unaudited post-close trading update for the financial year ended 31 March 2025.

The Group anticipates that it will deliver a financial performance in line with expectations with underlying EBITDA of circa £90 million, underlying PBT in line with expectations and year end net debt below £100 million. Consistent with the three year share buyback programme announced on 1 July 2024, as of market close on 17 April 2025, a total of 2,227,615 shares have been purchased at a total value of £15.9 million.

PayPoint Plc's preliminary results for the financial year ended 31 March 2025 will be announced on 12 June 2025 along with an update on Group strategy and our financial objectives for the three-year period to FY28, including confirmation of the next stage of our share buyback programme.

ABOUT PAYPOINT GROUP

For tens of thousands of businesses and millions of consumers, we deliver innovative technology and services that make life a little easier.

The PayPoint Group serves a diverse range of organisations, from SME and convenience retailer partners, to local authorities, government, multinational service providers and e-commerce brands. Our products are split across four core business divisions:

- In Shopping, we enhance retailer propositions and customer experiences through our PayPoint One/Mini devices, card payment technology, Counter Cash, ATMs and FMCG partnerships in over 60,000 SME and retailer partner locations across multiple sectors. Our retail network of over 28,000 convenience stores is larger than all the banks, supermarkets and Post Offices put together
- In E-commerce, we deliver best-in-class customer journeys through Collect+, a tech-based delivery solution that allows parcels to be picked up, dropped off and sent at thousands of local stores
- In Payments and Banking, we give our clients and their customers choice in how to make and receive payments quickly and conveniently. This includes our channel-agnostic digital payments platform, MultiPay, offering solutions to clients across Open Banking, card payments, direct debit and cash. PayPoint also supports its eMoney clients with purchase and redemption of eMoney across its retail network.
- In Love2shop, we provide gifting, employee engagement, consumer incentive and prepaid savings solutions to thousands of consumers and businesses. Love2shop is the UK's number one multi-retailer gifting provider, offering consumers the choice to spend at more than 140 high-street and online retail partners. Park Christmas Savings is the UK's biggest Christmas savings club, helping over 350,000 families manage the cost of Christmas, by offering a huge range of gift cards and vouchers from some of the biggest high street names.

Together, these solutions enable the PayPoint Group to create long-term value for all stakeholders, including customers, communities and the world we live in.
